National Institute for Land and Infrastructure Management (NILIM) Ministry of Land, Infrastructure, Transport and Tourism Government of Japan

Director-General	General Affairs Department	Personnel and Welfare Division
Deputy Director-General	Deputy Director of General Affairs Department	General Affairs Division Accounting Division
Deputy Director-General	Senior Officer for Welfare	Head Officer for General Affairs
Executive Director for Research Affairs	Senior Officer for Contract and National Property	
-	Planning and Research Administration Department	Planning Division
	Research Coordinator for Evaluation	Research Administration and Evaluation Division Research Facilities Division
	Research Coordinator for Codes and Standards	International Research Division
	Coordinator for Research Planning	
-	Administrative Coordination Department	Administrative Division
	Research Coordinator for Information and Construction Systems	Planning and Coordination Division Technological Information Division Cost Estimation System Division International Coordination Division
_		Wastewater System Division
	Research Coordinator for Water Quality Control	Wastewater and Sludge Management Division
	Research Coordinator for Wastewater System Restoration	
_		River Division
		Coast Division Water Cycle Division
	Research Coordinator for Integrated Water Disaster Management	Large-scale Hydraulic Structure Division Flood Disaster Prevention Division
	Research Coordinator for Water Environment	
	— Sabo Department	Sabo Planning Division
	Research Coordinator for Sediment Disaster Prevention	Sabo Risk-Management Division
_	Road Traffic Department	Road Division
	Research Coordinator for Road Affairs	— Road Safety Division — Road Environment Division
	Research Coordinator for Road Disaster Prevention	Intelligent Transport Systems Division
_	- Road Structures Department	Bridge and Structures Division
	Research Coordinator for Road Structures	Foundation, Tunnel and Substructures Division Pavement and Earthworks Division Earthquake Disaster Management Division
-	Building Department	Standards and Accreditation System Division
	Research Managing Coordinator for Advanced Building Technology	Structural Standards Division Fire Standards Division Environment Standards Division
		Equipment Standards Division Material and Component Standards Division
	Research Coordinator for Disaster Mitigation of Building	Evaluation System Division
-	Housing Department	Housing Planning Division
	Research Coordinator for Housing Performance	Housing Stock Management Division Building Environment Division
	Research Coordinator for Housing Information System	Housing Production Division
	Urban Planning Department	Urban Planning Division Urban Facilities Division Urban Disaster Mitigation Division Urban Development Division
-	Coastal, Marine and Disaster Prevention Department	Marine Environment Division
		Coastal Disaster Prevention Division Disaster and Emergency Management Division
	Research Coordinator for Coastal and Marine Disaster Prevention	Coastal Zone Systems Division
F	Port and Harbor Department	Port Planning Division
	Research Coordinator for Advanced Port Technology	Port Systems Division Port Facilities Division Port Facilities Division Port Construction Systems and Management Division
-	Airport Department	Airport Planning Division Airport Facilities Division
	Research Coordinator for Advanced Airport Technology	Airport Construction Systems Division
	Research Center for Infrastructure Management	Construction and Maintenance Management Division Construction and Maintenance Systems Division
		Advanced Construction Technology Division
	Research Coordinator for Land Management and Disaster Prevention	Construction Economics Division
	Research Coordinator for Advanced Information Technology	Landscape and Ecology Division Kumamoto Earthquake Recovery Division
