●National Institute for Land and Infrastructure Management (NILIM)● Ministry of Land, Infrastructure, Transport and Tourism Government of Japan

Director-General	General Affairs Department	Personnel and Welfare Division
 Deputy Director-General 	- Deputy Director of General Affairs Department	General Affairs Division Accounting Division
 Deputy Director-General 	- Senior Officer for Welfare	Head Officer for General Affairs
 Executive Director for Research Affairs 	Senior Officer for Contract and National Property	
Executive Director for Research Affairs	Planning and Research Administration Department	Planning Division
	- Research Coordinator for Digital Transformation of Infrastructure Systems	—Research Administration and Evaluation Division —Research Facilities Division
	- Research Coordinator for Evaluation	International Research Promotion Division Senior Officer for Cyber Security and Information
	Research Coordinator for Codes and Standards	
	Administrative Coordination Department	Administrative Division
	1	— Planning and Coordination Division International Coordination Division
	Water Quality Control Department	Wastewater System Division
	Research Coordinator for Water Quality Control	Wastewater and Sludge Management Division
		toration
	Research Coordinator for Wastewater Energy Management and System Res	River Division
	- River Department	Coast Division
	Research Coordinator for River Structures	Water Cycle Division Large-scale Hydraulic Structure Division
	- Research Coordinator for Integrated Water Disaster Management	Flood Disaster Prevention Division
	Research Coordinator for Water Environment	
	Sabo Department	Sabo Planning Division Sabo Risk-Management Division
	Research Coordinator for Sediment Disaster Prevention	
	Road Traffic Department	——Road Division —Road Safety Division
	Research Coordinator for Road Affairs	Road Environment Division
	Research Coordinator for Road Disaster Prevention	
	Research Coordinator for Digital Transformation of Road Systems	
	- Road Structures Department	Bridge and Structures Division
		Foundation, Tunnel and Substructures Division Pavement and Earthworks Division
	Research Coordinator for Road Structures Recovery	Earthquake Disaster Management Division
	- Building Department	Standards and Accreditation System Division
	- Research Managing Coordinator for Advanced Building Technology	Structural Standards Division Fire Standards Division
	- Research Coordinator for Quality Control of Building	Equipment Standards Division Material and Component Standards Division
	Research Coordinator for Disaster Mitigation of Building	Evaluation System Division
	- Housing Department	Housing Planning Division
	Research Coordinator for Building Environment Technology	Housing Stock Management Division Building Environment Division
	Research Coordinator for Housing Performance	Housing Production Division
	Research Coordinator for Housing Information System	
		Uden Dissoine Division
	Urban Planning Department	Urban Planning Division Urban Facilities Division
		Urban Disaster Mitigation Division Urban Development Division
	- Port, Coastal and Marine Department	Port Planning Division
		Port Systems Division Port Facilities Division
	- Research Coordinator for Coastal and Marine Affairs	Coastal Zone Systems Division Marine Environment and Emergency Management Division
	Research Coordinator for Coastal and Marine Disaster Prevention	Port and Coastal Disaster Prevention Division
		Port Information System Division
		Cost Estimation System Division Port Construction Systems and Management Division
		Port Advanced Information Technology Division
	Airport Department	Airport Planning Division
	Research Coordinator for Advanced Airport Technology	Airport Construction Systems Division
	Research Center for Infrastructure Management	Construction and Maintenance Management Division
	- Research Coordinator for Construction Management	 Advanced Construction Technology Division
	- Research Coordinator for Land Management and Disaster Prevention	Information Platform Division Construction Economics Division
	Research Coordinator for Advanced Information Technology	Landscape and Ecology Division
